URL: icvalle.github.io/code-quiz/

EXPERIENCE

InvestorPlace
Web Designer
April 2017 — Present

Design, code, and prepare emails, landing pages, and online content for publishing. Develop visual identities and create graphics for promotional campaigns. Collaborate with a director, designers and a developer while managing multiple projects with time-sensitive deadlines.

McKinsey & Company
Graphic Designer (Contractor)
November 2016 — March 2017

Aided in coordinating design requests and managing the queue. Worked with consultants to create, edit, and enhance presentation documents for client meetings. Ideated and produced internal marketing materials.

Tower Federal Credit Union
Graphic Designer (Contractor)
April 2016 — July 2016

Collaborated with the in-house marketing team to design and produce direct mailers, stationeries, signage, web and publication Ads, email graphics, login/logout prompt, and other collateral. Prepared files for production and worked with print vendors to meet requirements and deadlines.
